

Position Title: Purchasing Manager (m/f/d)

Location: Germany (with travel across European and North America subsidiaries)

Reports to: Director of Operations

Company: PUERTO FANTASÍA GROUP

About the Role:

We are looking for a strategic and hands-on Purchasing Manager to lead procurement across multiple business units within PUERTO FANTASÍA GROUP. From attractions and resort operations to hospitality and infrastructure, this role plays a critical part in ensuring quality, cost-efficiency, and supply chain reliability. You will manage international sourcing, negotiate contracts, and optimize purchasing processes while working closely with cross-functional teams.

Key Responsibilities:

- Manage and oversee procurement activities across categories including construction, equipment, services, and consumables
- Identify and qualify international suppliers; maintain strong vendor relationships
- Negotiate pricing, terms, and delivery schedules in alignment with project goals
- Monitor and analyze procurement KPIs; drive continuous improvement and cost optimization
- Ensure compliance with internal policies and legal requirements (including ESG and sustainability standards)
- Collaborate with Finance, Legal, Technical, and Project teams to ensure alignment
- Prepare purchase orders, contracts, and reports for management

Requirements:

- Degree in Supply Chain Management, Business Administration, or related field
- Minimum 5 years of professional experience in purchasing or procurement (preferably in hospitality, real estate, or themed entertainment)
- Strong negotiation, analytical, and supplier management skills
- Fluent in English and German (Spanish is a plus)
- Experience with ERP or procurement software systems
- Knowledge of sustainability standards in procurement is an advantage
- Structured, proactive, and solution-oriented working style

What We Offer:

- A diverse and impactful role in a fast-growing international company
- The chance to influence procurement strategy across iconic projects
- A collaborative, open-minded, and entrepreneurial team culture
- Competitive compensation and personal development opportunities
